11 It will not be possible to find the remaining 10½ per cent towards Establishment Tools and Plant charges, from 20 Crores for Public Improvements

12 It is therefore urged that the 7½ per cent levy be sanctioned, as a special case, as has been done in a few other cases

13 It is hoped that the general question of levy will be settled soon

Subd) It is seen from the 8os distributing the grants for the Town Improvements, that no grant was given last year or in the year previous for the work --

Refer para 8

16 The Govt grant given for the work so far is only Rs 1000

17 The Dir of Health has stated that the balance of 10½ p c cannot be met from the Grant for Public Improvements & that the levy of 7½ % may be sanctioned as a special case In his ⊗ reply to the general question the Fin Secy has stated that the present rate of 18% cannot be reduced

⊗ This was before the Dewt Secy

Then had a joint discussion & referred it to Govt for more details which were furnished by them

Dewt Secy) 27/4

18 Against an estimate of Rs 11426 the Govt grant is only 10000 The waiving of 10½ p c, representing all the concession for the moment, will mean an additional grant of Rs 1,200 - thus the grant will work out to Rs 22000 against 12626 In this view of a grant of the 7½ % may be sanctioned, pending the decision of the general question

SIR

Adverting to Government Order No L 5244/6 M 150-33-3 dated the 16th January 1934 sanctioning an estimate amounting to Rs 14,720/- for the drainage scheme of Chitaldrug Town, I have the honour to state that establishment charges were not provided in the estimate as it was presumed that the Municipality would execute the work But the President of the Municipality now requests that it may be got done under the supervision of the Bureau of Sanitary Engineering, charges being levied at 7½ per cent A copy of his letter together with its enclosure are enclosed In these circumstances, I request you to be so good as to communicate sanction of Government to levy only 7½ per cent establishment and tools and plant charges as a special case in view of the slender financial resources of the Municipality

I have the honour to be,

Sir,

Your most obedient servant,

Director of Health

Letter No 398/33-34 dated 13th February 1934 from the President, Town Municipal Council, Chitaldrug, to the Executive Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore

---

I have the honour to state that the Government in their Order No 5244/6 M 1 150-33-3 dated 16th January 1934 have sanctioned the estimate for Rs 14,720/- for drainage scheme of the Municipality and the Government have also been pleased to sanction a grant of Rs 1,000/- for the execution of 2nd and 3rd stages of the scheme during the current year The Municipal Council at their meeting on 7th February 1934 have resolved that this work may be entrusted for execution to the Sanitary Engineering Agency if they are agreeable to take it up for 7½ per cent as supervision charges and complete the work before the close of the official year

I understand your Department has been taking up similar works in other Municipalities and charging only 7½ per cent as supervision charges I should be glad if you can take up the drainage work of this place also on similar terms The work has to be put in hand immediately and completed before the rains set in I request you to favour me with an early reply in the matter

The Council's resolution is herewith sent for your kind information
